Everybody in the car, come let's ride

To the candy store round the corner

The boys say they want ice-cream

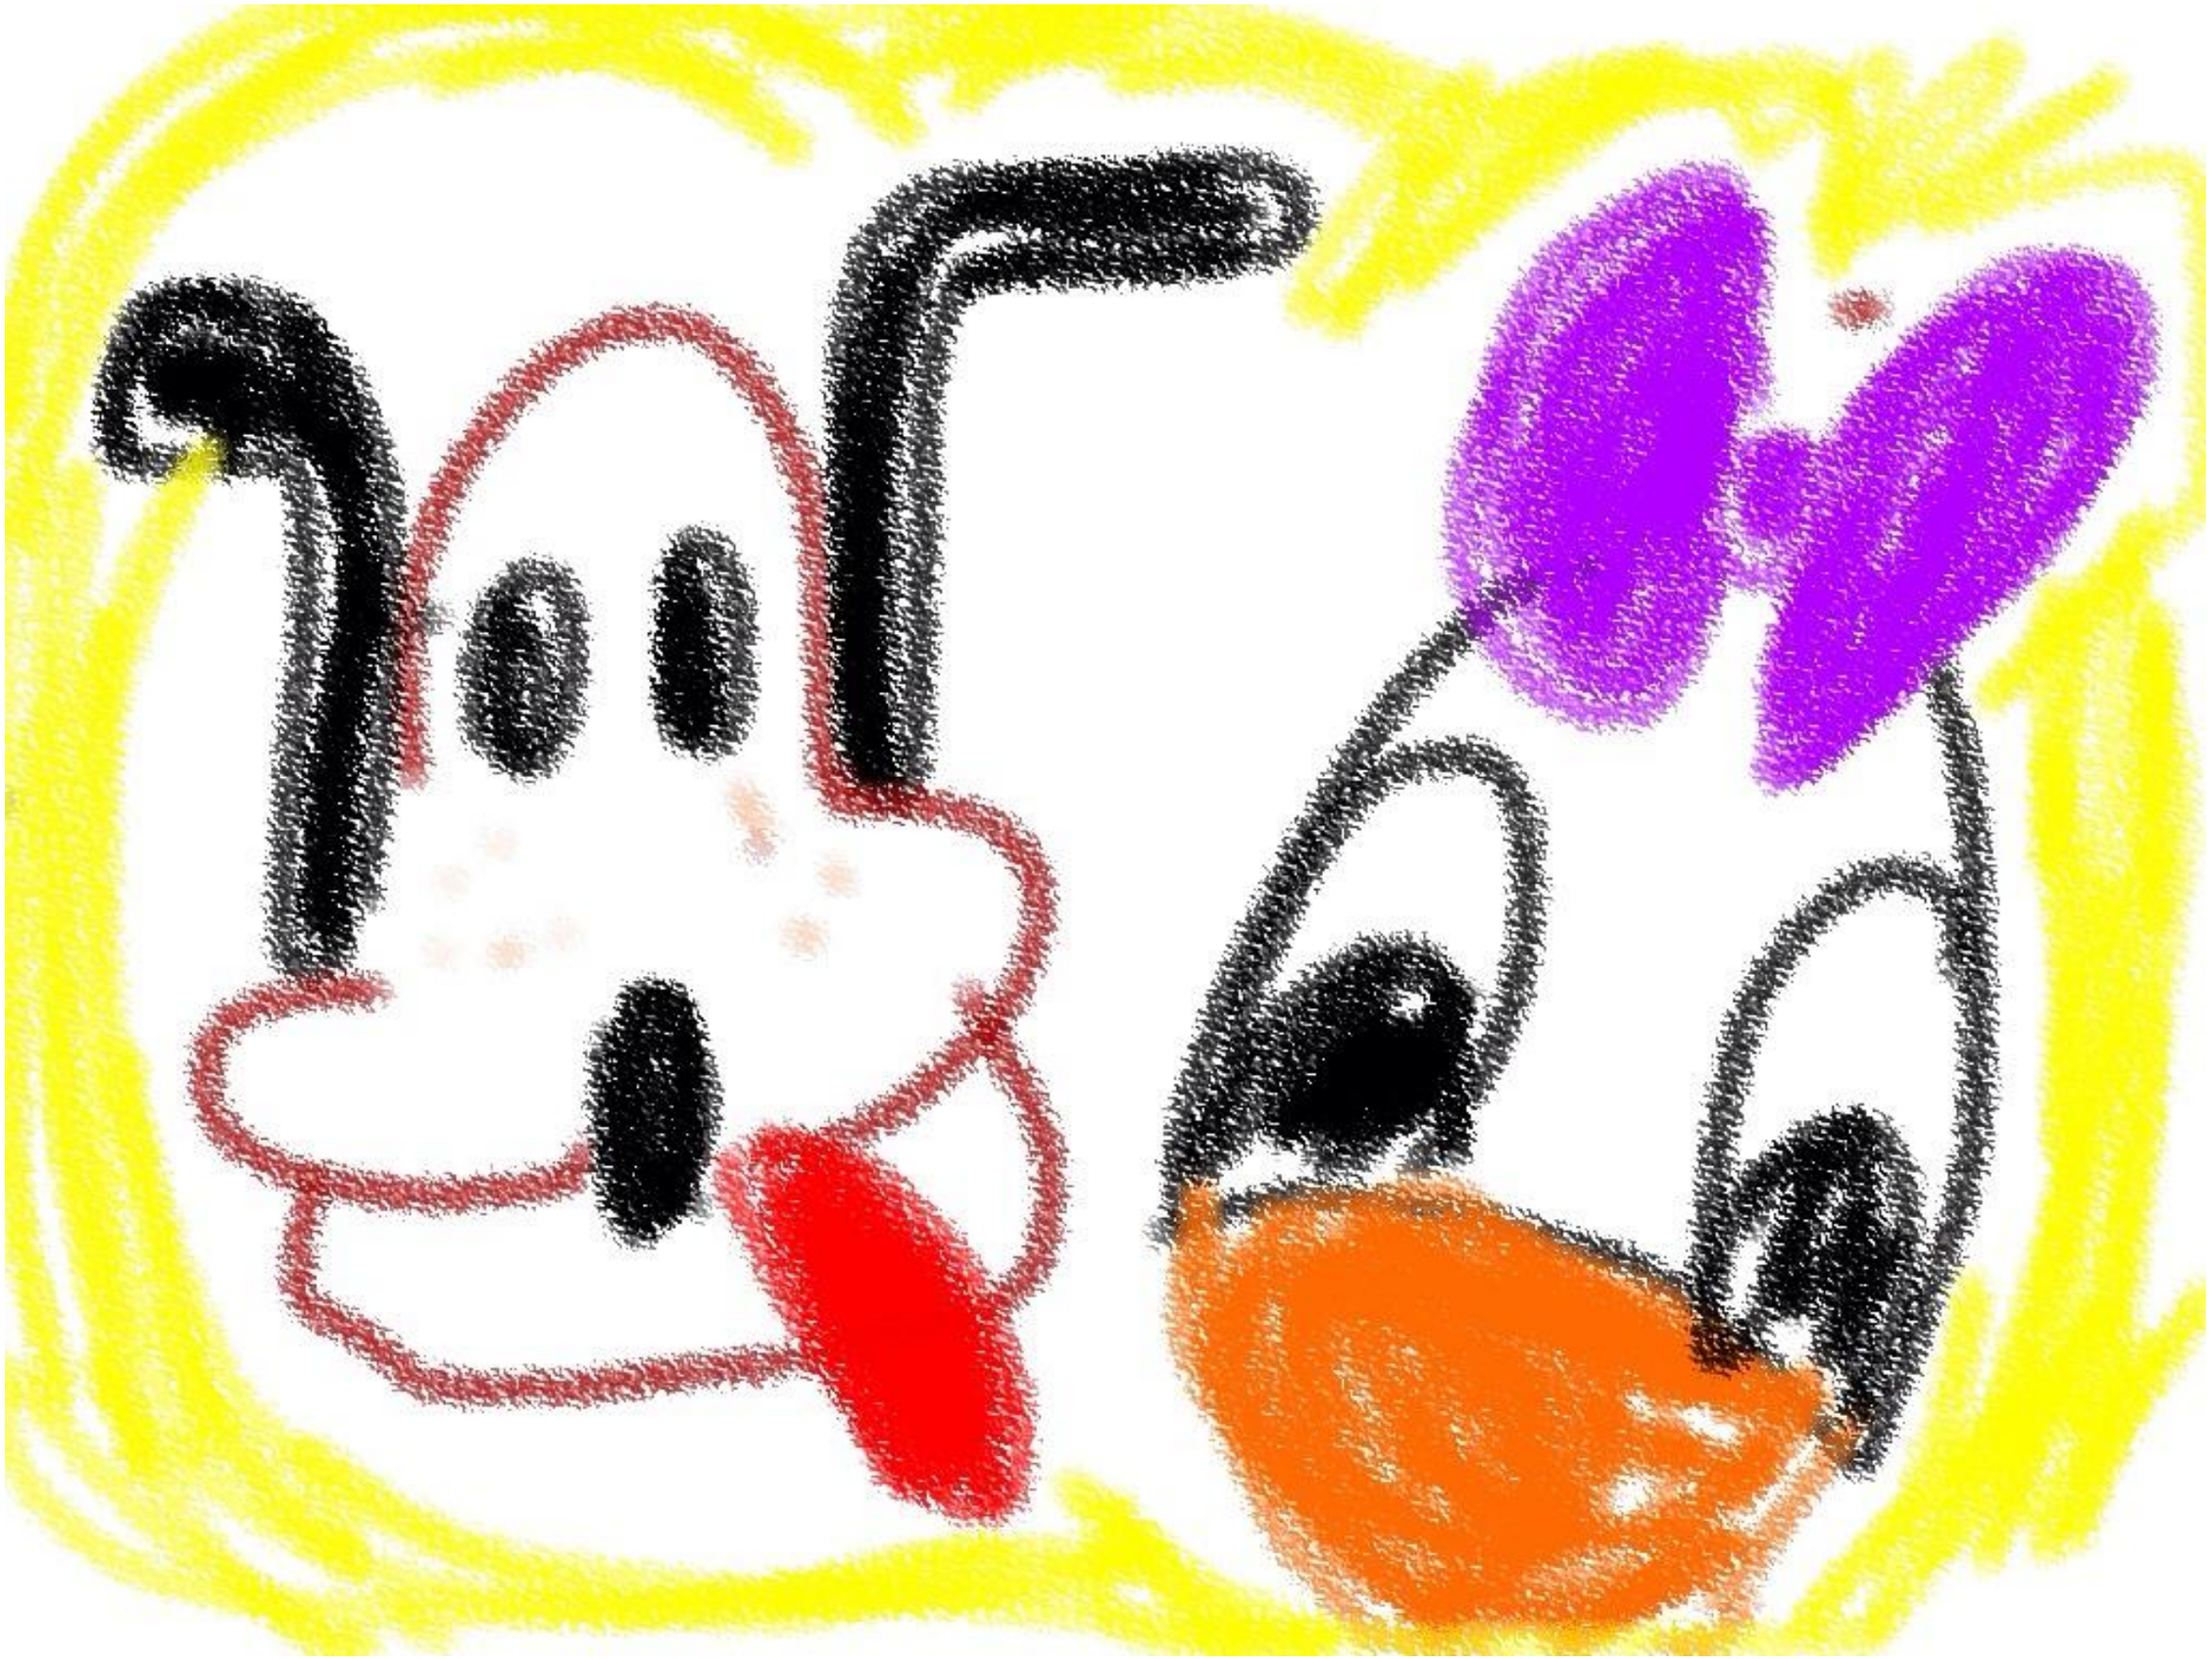
But I don't really wanna

Let's dance till we all fall down

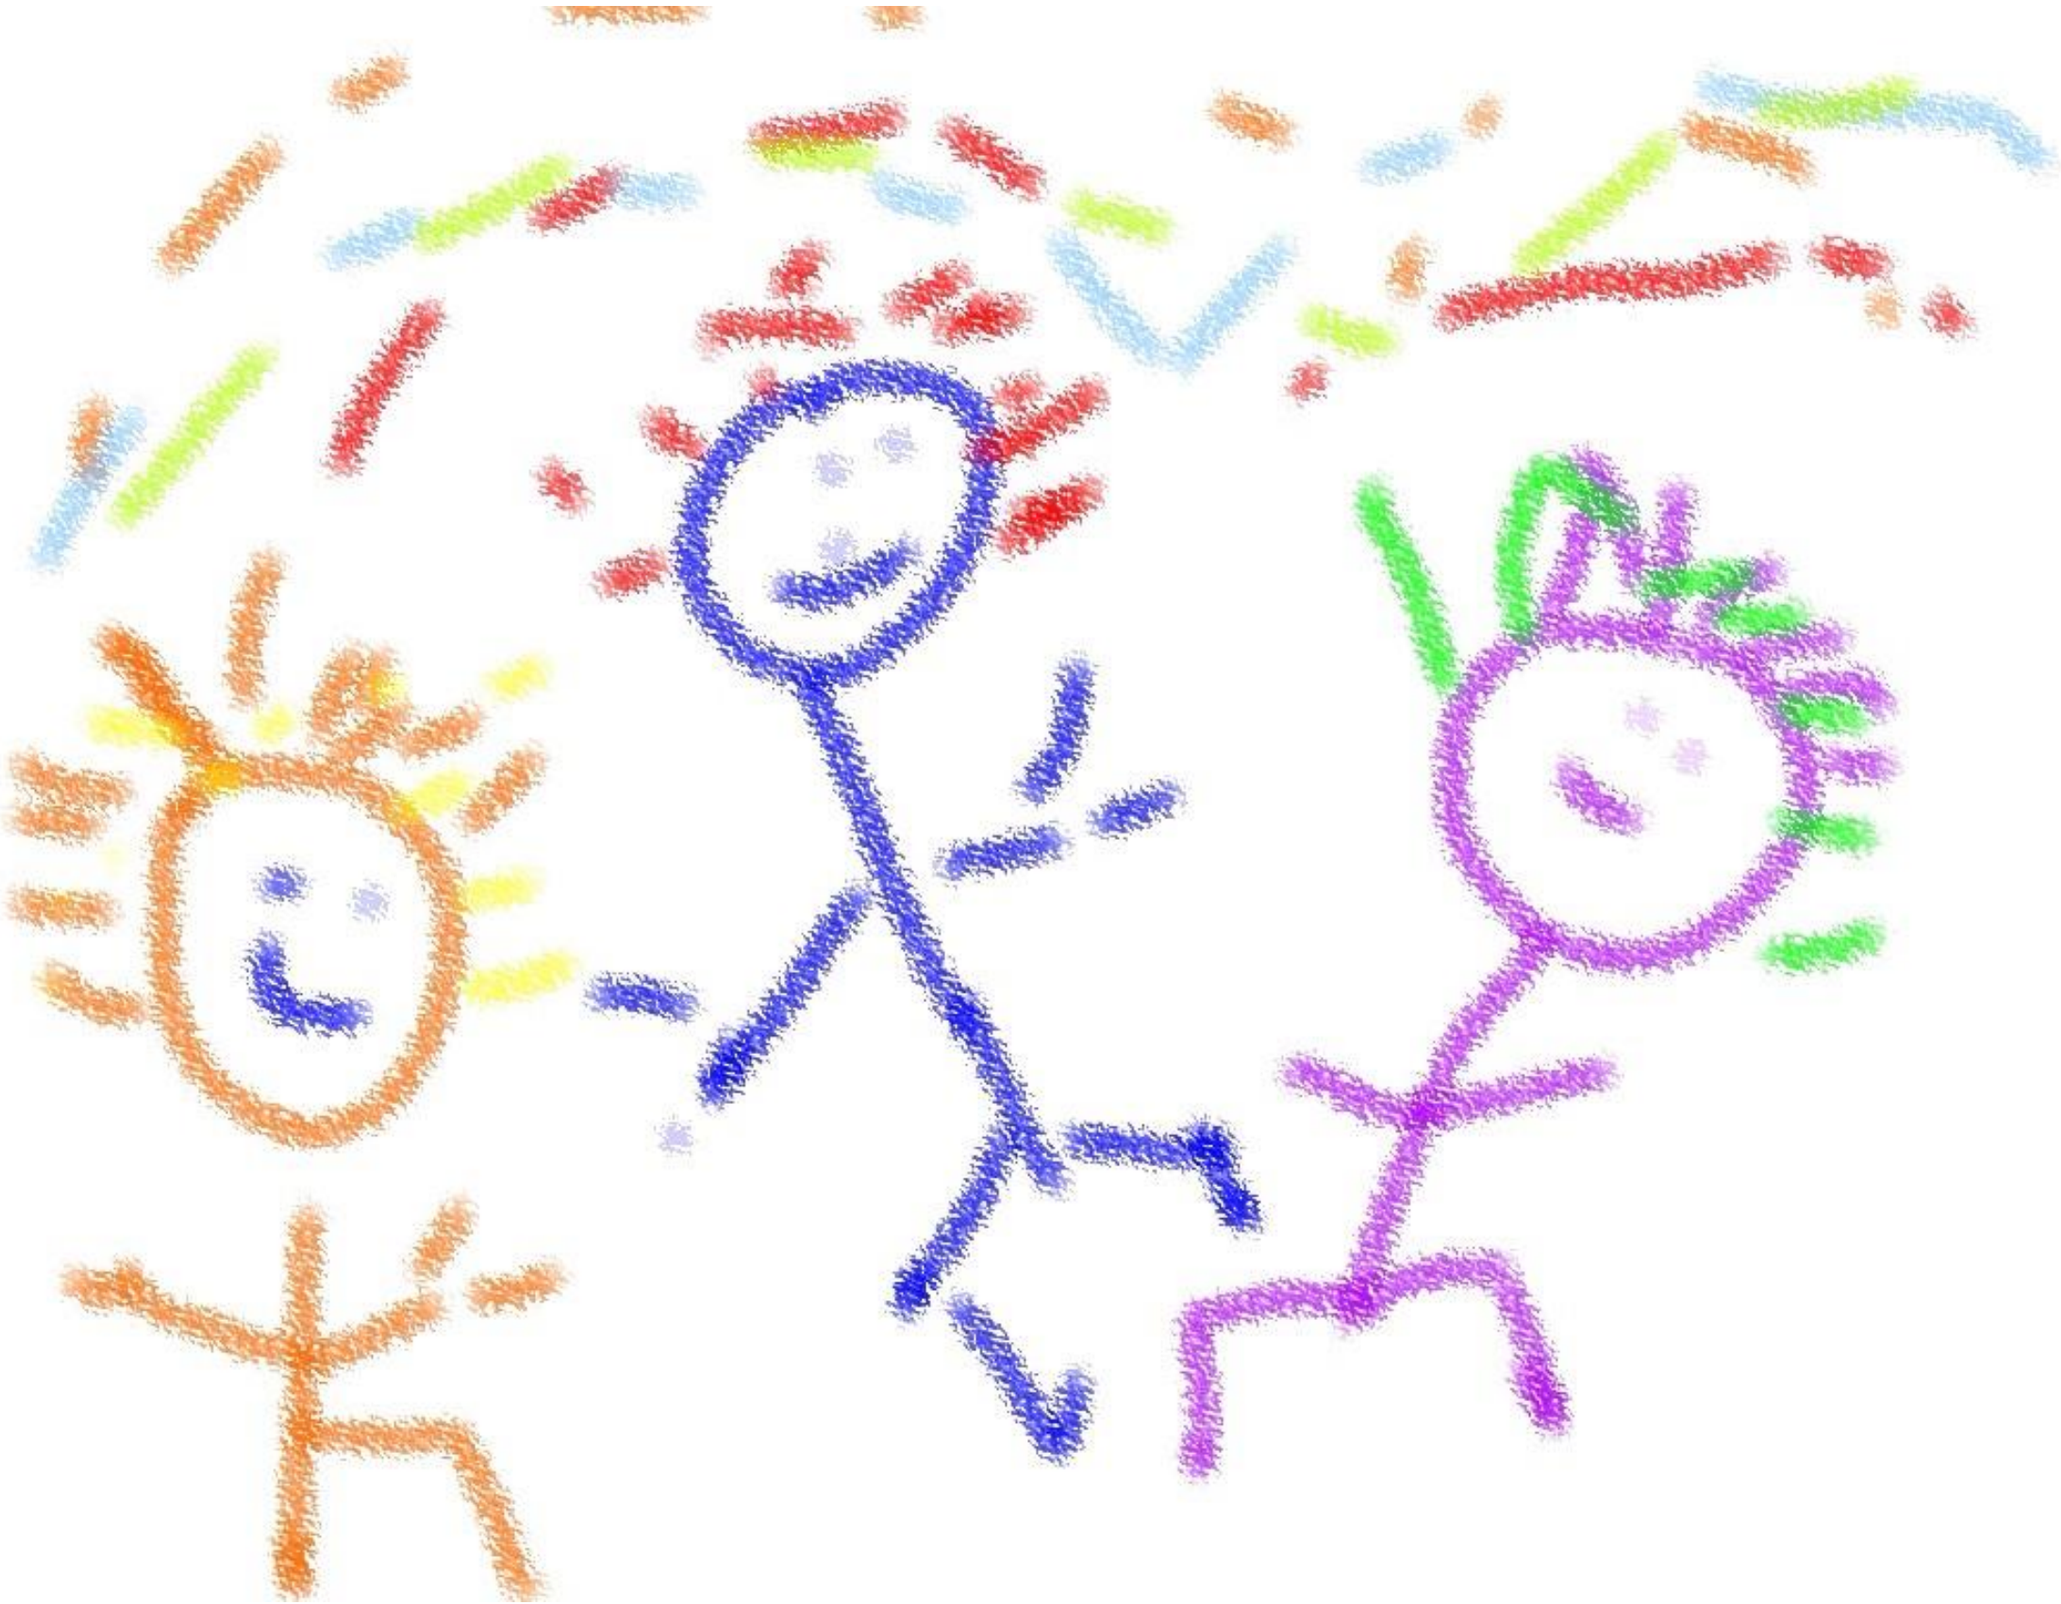
We'll party hearty to the mambo sound

I like Minnie , Goofy

Pluto and Daisy

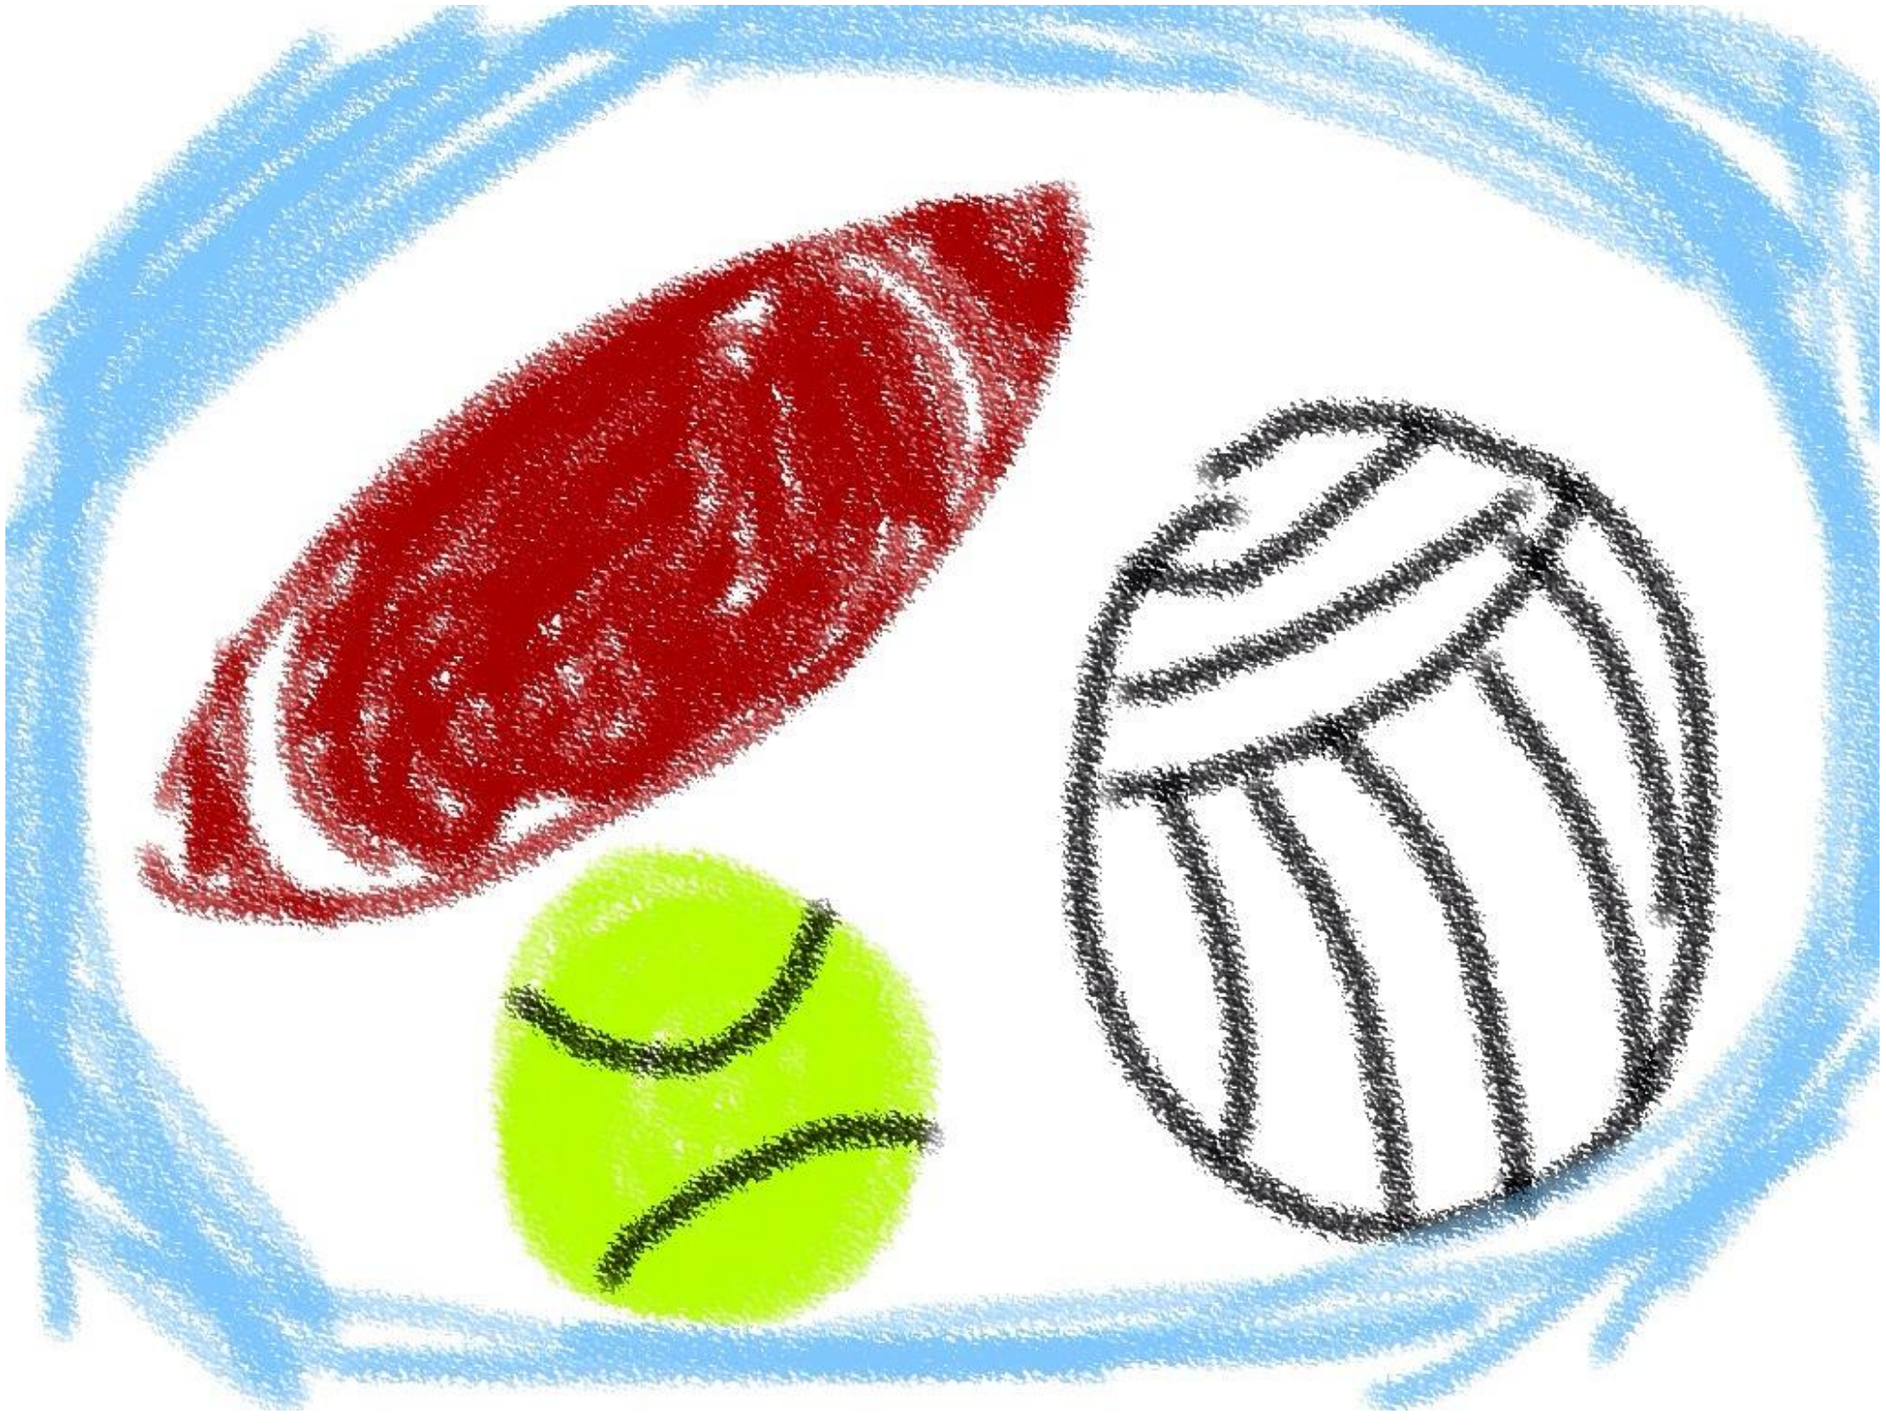


As I continue the gang is going crazy



What can I do?

To me dancing is just like a sport



Anything fly, it's all good let me dump it

Please send in the trumpet
